

## Clinical Cases in Physical Therapy (Paperback)

By Mark A. Brimer, Michael L. Moran

Elsevier Health Sciences, United Kingdom, 2004. Paperback. Condition: New. 2nd Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This unique text provides students and clinicians with a means of improving their clinical judgment and problem-solving skills. By comparing their own management strategies to those provided in the text, readers will gain knowledge of effective interventions and advance a step further in their pursuit of clinical expertise. Content utilizing current terminology reflects trends in current practice and familiarizes readers with the structure of the Guide to Physical Therapist Practice, 2nd Edition. The real-life examples expose students to a range of both unusual and familiar clinical experiences they might not face in their studies, as well as enabling current clinicians to learn from their colleagues experiences. Input from both a clinician and a professor provides a nice blend of clinical experience and educational insight. All cases are new, 46 in all, compiled from real-life scenarios experienced by physical therapy practitioners. Content includes more detailed information in areas such as patients, personal histories, culture, environment, and lifestyle. New topics encompass a broad range of issues, including documentation, women s...

### Reviews

*I actually started looking over this publication. It really is rally interesting throgth studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dana Hintz

*Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).*

-- Elisa Reinger
