Erotic paranormal mnage romance After years in foster care, Breanne Gallagher has the stable life shes always wanted, living with her foster-sister, working as a chef, enjoying her comfortable routines. Then one devastating night, a hellish creature invades her apartment and shatters her fragile existence. Shifting between monster and man, it slaughters her foster sister and assaults Bree. Alone, wounded, her beloved home tainted by gruesome memories, Bree flees to a tiny wilderness town, following her only clue to her past. Shapeshifting warriors, Zeb and Shay move from one pack to another, hunting the hellhounds which prey on their kind. Assigned to Cold Creek, they take over management of a decrepit fishing lodge for their human cover. Their first renter is a pretty human female who trembles at the sight of them yet stands her ground. Furious at the hurt they see in her eyes, the protective nomads are drawn into helping her. Although no shapeshifter is ever attracted to a human, her scent is oddly compelling, and her ferocious determination to conquer her fears ignites longings neither loner ever expected to face. Bree is healing, learning to shoot the biggest pistol she can find, and overcoming her fears, especially of the two deadly, disconcertingly attractive hunters. Her life is getting back on track until she tries to save a little girl from a hellhound and discovers that everything she knows about herself is false. This item ships from multiple locations.
