## KOBA THE DREAD (PAPERBACK)

[DOWNLOAD](#)

Vintage Publishing, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. Koba the Dread is the successor to Amis s celebrated memoir, Experience. It addresses itself to the central lacuna of twentieth-century thought: the indulgence of communism by Western intellectuals. In between the personal beginning and the personal ending, Amis gives us perhaps the best one hundred pages ever written about Stalin: Koba the Dread, Iosif the Terrible. The author s father, Kingsley Amis, was a Comintern dogsbody (as he would come to put it) from 1941 to 1956. His second-closest, and later in life his closest friend, was Robert Conquest, whose book The Great Terror was second only to Solzhenitsyn s The Gulag Archipelago in undermining the USSR. Amis s remarkable memoir explores these connections. Stalin said that the death of one person was tragic, the death of a million a mere statistic . Koba the Dread, during whose course the author absorbs a particular, a familial death, is a rebuttal of Stalin s aphorism.
