RIZER Building on chapter 2 s conclusion that institutional belief systems can exist in the US military, chapter 3 identifies and tests the presence of such a philosophy. It begins by presenting Samuel P. Huntingtons claim that the US military possesses an institutional philosophy that he calls conservative realism. For clarification, the chapter then contrasts this philosophy with its counterpart, liberalism. Finally, using recent civil-military relations studies, it tests Huntingtons claim regard-ing an institutionalized military philosophy. Chapter 4 further develops the conservative and liberal phi-losophies identified in chapter 3 by applying them to interna-tional relations. The chapter compares and contrasts the con-servative and liberal views of the world, especially regarding the use of military force. It explains why conservatives view war as a political instrument for furthering national interests, whereas liberals see war as a preventable aberration resorted to in the name of universal values. Finally, it uses a recent study to prove the US military indeed holds...
