Georgetown University Press, United States, 2008. Paperback. Condition: New. New.. Language: Arabic . Brand New Book ***** Print on Demand *****. Amman and Russia call for immediate cease fire. French riots extend to immigrant communities. Lawyers call for fair trial of Guantanamo prisoners. China aims at increasing trade with Russia. 20 casualties in an earthquake in Pakistan Headlines - print and broadcast - have gone global. As a result, news and information from authentic sources make a useful resource for foreign language learners. Advanced Media Arabic systematically introduces authentic texts and audio files from a wide variety of media sources. This textbook helps students develop analytical and translation skills in Arabic and expand their reading, writing, listening, and speaking capabilities. The book emphasizes the semantic and stylistic aspects of media Arabic rather than its grammar and aims to equip students with the ability to listen to and converse about current events. Organized by theme, each of the ten chapters covers current issues like: o Diplomacy o Elections o Trade and Industry o Violence and Disorder o Law and Order o Economy o War and Military Action o Natural Disasters o Terrorism Arabic television talk shows Each chapter provides important vocabulary; examples of language in context; exercises for reading and listening comprehension, writing, and translation; and a section for discussion and debate. The listening material - 60 minutes of spoken material - is available for free online at [Downloading Audio Files from Please click on the link under Sample Content to download a compressed zip file of all ten MP3 audio tracks that accompany the book](#).
