

Secrets of the Oracle Database (Paperback)

By Norbert Debes

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2009. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book ***** Print on Demand *****. Secrets of the Oracle Database is the definitive guide to undocumented and partially-documented features of the Oracle Database server. Covering useful but little-known features from Oracle Database 9 through Oracle Database 11, this book will improve your efficiency as an Oracle database administrator or developer. Norbert Debes shines the light of day on features that help you master more difficult administrative, tuning, and troubleshooting tasks than you ever thought possible. Finally, in one place, you have at your fingertips knowledge that previously had to be acquired through years of experience and word of mouth through knowing the right people. What Norbert writes is accurate, well-tested, well-illustrated by clear examples, and sure to improve your ability to make an impact on your day-to-day work with Oracle.
