AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Rain on the River is a book of poetry about one s struggle to fit into a world in which he or she was not designed to fit into. The river represents one s life; the rain represents the afflictions placed upon the individual. The poetry in this book tells stories of personal strongholds and the highs and lows that a person of bipolar disorder, depression and childhood sexual abuse goes through. This book is for those who can relate to these personal issues as well as those who want to get an understanding of what life is like for someone suffering with these afflictions. If you are someone who suffers with the inability to cope with life due to these issues or just someone who wants to get to know us, this book will help you to relate and know that you are not alone, or get a clearer insight into our universe. The hope is that you may be able to adapt to living with those of our nature without taking it personal. All proceeds from the sale of this book will go to to support the awareness and prevention of child molestation, violence and neglect. You can also report child abuse to this web site. Thank you for helping to secure the futures of our children. Ty Anthony Foster.
