JESSICA KINGSLEY PUBLISHERS, United Kingdom, 1996. Paperback. Condition: New. Language: English . Brand New Book. The author has specialised in working with adult abuse and the manual is set out in the way she recommends that training be presented. There are chapters on older people, black and minority ethnic people and younger adults, as well as on investigations and case conferences. - Nursing Standard Working with Elder Abuse is a forthright and detailed training manual - the manual is a blend of theory, exercises, and further readings and it is anticipated that it will be used by staff trainers providing formal training as well as by supervisors who will work through it with their staff teams. The manual is clearly written, practical and realistic without being condescending. It clearly benefits from being written by someone who is herself a full time staff trainer on elder abuse and has tested and honed the suggested training materials through frequent use. The emphasis on experiential learning, drawing upon the experience of the training participants and exploring attitudes as well as knowledge is evident. This approach allows the potential user to feel comfortable with replicating the training modules and adapting them to fit other situations and content. Working with Elder Abuse is an excellent training guide. The care that has been taken in detailing all training steps, without burying the reader/trainee in duplicative content, makes one eager to utilize the manual immediately. This manual belongs on every trainer's shelf. It can be used equally well both as a self-training guide and to train large groups, and offers much that can be adapted for use with other content areas. - Journal of Teaching in Social Work This book achieves its stated aim. As a manual for use in training, it provides a wealth of...
