The Big Day is on the horizon, a special wedding day for a very special couple, but Janie and her friends have a to-do list a mile long before the ceremony, not the least of which is sitting for the bar exam. Of course a magical emergency comes up at the most stressful week in their lives, with a pair of glass slippers appearing in the stacks of wedding gifts piling up at their house. Who could have left them and what could they mean for Janie, Aiden, Mia, Jonah, Bert, and Allie, as they try to determine the name of the gift giver, their magical danger, and the rightful owner of those delicate shoes? But bigger problems are on the horizon. Evangeline has secured a pass to attend the wedding, a witch is targeting Bert, and a woman is searching for her stepsister, jealous of her magical talents. Who is in danger? Who is the mastermind bringing all of these bad guys together? Buttercream or fondant? Satin or Tulle? Contracts or Torts? Evidence or Civil Procedure? All of this converges on Janie s house, along with a cat named Bob, searching for a lost set of boots, during the week that Mia and Janie s careers hang in the balance. Can they solve the mystery, keep everyone safe, pass the bar exam, and pull off a wedding without a magical catastrophe?.
