## THE CROSSING: HOW GEORGE WASHINGTON SAVED THE AMERICAN REVOLUTION (PAPERBACK)

DOWNLOAD PDF

Scholastic Inc., United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. It is 1776, and George Washington and his army of rebellious American colonists are emboldened by its stunning victories over the British at Lexington and Concord. But now, the Americans face the threat of a brutal British retaliation. George Washington, who has little experience with a threat of this magnitude, is unanimously chosen as commander in chief in hopes he can unite the colonies. Britain's army is massive and well trained. America's is small and unruly. As the British begin their invasion of New York City and its environs, George Washington isn't the only one who is overcome with doubts that he can succeed against such overwhelming odds. In this breathtaking account of a pivotal time in the American Revolution, two-time Newbery Honor Book author Jim Murphy shows George Washington's transformation from a gentleman farmer with little military experience to a brilliant general, as he delivers the country from the blackest of times--into the brightest of futures.
