habits. But did you know that repetition KILLS digital habits?
Digital Habits are powerful and different. They also create a
unique competitive advantage for market leaders like Google.
Your customers are more distracted and less loyal than ever in
today's time-starved, always-connected economy. Digital
Habits integrate human neuroscience with the latest
technology to gain more traction throughout the customer
journey. This book provides fresh ideas for CMOs, customer
experience, strategy, and digital marketing executives who
seek to apply the latest marketing and technology approaches
to win more business. You will discover: Five Triggers based on
neuroscience that engage every prospective buyer. How
Amazon, Disney, and Apple put customer loyalty on steroids by
designing Digital Habit Ecosystems Frameworks that help you
apply Digital Habit techniques to grow your business and gain
a competitive edge. The Exponential Influence(r) Book Series
Exponential Influence(r) is a series of fast-reading books that
enable executives and organizations to rapidly learn about
leading-edge neuroscience, motivation, marketing, leadership
and technology strategies used in the Silicon Valley and
beyond. Filled with practical case...
