Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Timber Harvesting in the Southern United States: A Sociological Analysis and Research Proposal The pivotal position of harvesting in the timber management-marketing-manufacturing process is not matched by the effort devoted to timber harvesting research and development. A group of timber industry consultants recently recommended a 10-year, research program for the southern harvesting industry alone. (silversides et al., One high priority problem area identified by this group was the sociological aspects of harvesting labor. In an effort to more sharply define social science research needs and recommend a research program, an analysis of the southern timber harvesting industry was performed from a sociological perspective. The analysis had four objectives. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
