Ave Maria Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Blessed Basil Moreau, C.S.C., founder of the Congregation of Holy Cross, had a vision to educate both the minds and hearts of students to grow in Christ's love and to use their gifts to make the world a better place. Holy Cross and Christian Education outlines the five powerful elements that uniquely define a Holy Cross education—mind, heart, zeal, family, and hope. This concise and accessible introduction articulates a compelling vision of education that encompasses a person's natural human development and moral formation with the call to Christian discipleship. It also includes a timeline of Fr. Moreau's life and the history of the Congregation, prayers, and suggestions for additional reading.
