AuthorHouse. Paperback. Condition: New. 112 pages. Dimensions: 8.9in. x 5.8in. x 0.3in. Every golfer wants to score under 100; however, less than 20 are able to play that well. A huge amount of the 80 over 100 could break that 100 barrier if they would make the right decisions while they are playing the game. This book is one of the few golf books that doesn't try to improve the skill level of the golfer, but rather improves his game with the skill that he has. The book is also for the golfer who is just getting started with the game. Even though new golfers are a long ways from being able to break 100, they can still look like they belong, on the golf course by getting to know the proper etiquette and the proper terminology. This book will do that, plus give them a knowledge about the types of games that are commonly played and will give a good understanding of the rules of golf. Even people who do not intend to play golf but enjoy watching it on television should read this book to get a better understanding of the game so watching tournaments will be more enjoyable. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
