Brand New Book ***** Print on Demand *****.Life was going well for Marcel the seal, until THEY arrived. They betrayed him, killed his brother and took his home away. Marcel and his mother are forced into hiding out of fear. His father has left for an unknown reason, they have no interaction with the outside ocean, and Marcel knows minimal survival skills. This all changes when the storms rage in. Marcel s curiosity trumps his fear, and he is swept away by the massive current, unconscious and weak. Join Marcel as he struggles to survive as a seal-out-of-water in this epic adventure story against humanity itself. But Marcel is not alone. An odd trio, all with unique and extreme backgrounds, adopt him as a brother. They must band together against a common threat to save what is left on the island, before the mass amounts of garbage overwhelm it. But ally and traitor are very interchangeable terms. Marcel is in a constant struggle of who to believe: his new allies, or one of his own blood. Join Marcel on an adventure you don t want to miss out on and see the destruction that humanity has brought upon the ocean first-hand as Marcel and other attempt to finally escape; The Wasteland Isles.
