Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. David Hair is the award-winning writer of two young adult fiction series, The Aotearoa and The Return of Ravana (based on the Vedic epic The Ramayana). Mage s Blood, the first volume of a series called The Moontide Quartet, is Hair s first work of adult fantasy. In a starred review of Mage s Blood, Publisher s Weekly said, This multilayered beginning to the Moontide Quartet plunges readers into a taut network of intrigue and mystery that tightens with each chapter. Hair portrays a stark and beautiful world breaking apart, with both good and evil characters desperate to reshape it through magic, war, and treachery. This strong debut should draw in fantasy readers of all stripes. Most of the time the Moontide Bridge lies deep below the sea, but every twelve years the tides sink and the bridge is revealed, its gates open for trade. The Magi are hell-bent on ruling this new world, and for the last two Moontides they have led armies across the bridge on crusades of conquest. Now, the third Moontide is almost here, and this time the people of the East are ready for a fight but it is three seemingly ordinary people that will decide the fate of the world.
