

Crack MiG

By Steven Robert Alexander

CreateSpace Independent Publishing Platform. Paperback.

Condition: New. This item is printed on demand. 176 pages.

Dimensions: 9.0in. x 6.0in. x 0.4in. As the world has changed over the last thirty to forty years, some things haven't, human greed, the desire for power and to rule others. Others have motives based on a religious fundamentalist belief in how the world and civilization should act and behave. The changing times often bring about strange alliances that under normal circumstances would be impossible to fathom. Nothing was further from the ideal of drug lords and cartels collaborating with religious fundamentalists to bring down the world and create a new one in their image. Each of the factions had goals, a purpose and a plan for what the world would become. The United States military had again, been stripped bare as the wars in Iraq and Afghanistan were behind them. It was made clear by those in power, America's days as the world's police officer was done. The United Nations had to step up and do its job. The United States would still have a force but now with less personnel, less resources and a considerably smaller budget. In spite of that, somehow the requirements,...

Reviews

It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.

-- Prof. Evans Balistreri DDS

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lydia Legros
