Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Church Discipline is a long forgotten teaching that few pastors preach about and even fewer churches practice. Because of the lack of teaching on it, when most people hear the term Church Discipline it conjures up images of a bunch of mean vigilantes in the church deciding to kick out another church member because they did something they didn t like. Nothing could be further from the truth. As you will see in this book, Church Discipline is actually a biblical resource Jesus gave the church body in order to know how to deal with problems between believers in a way that would bring restoration and healing.
