Doctors and lawyers are doing it. Bricklayers and truck drivers are doing it. Boxers, golfers and football players are doing it, and getting away with it. Why They've gained something no books on seduction, women or men, relationships or self-improvement will ever give them the immediate entree into another's arms for much more than conversation. Guys, those folks have learned that virtually every woman young or old, rich or richer, married or otherwise loves it; hour after hour, night in and night out. Ladies, you know the accuracy of the things I'm bring to the men's attention. I'm sure you'll agree that most guys spend bunches of their time and money dreaming about being with women instead of taking a few steps and ending up with the lady of their choice in their arms up close and personal. Here's how it's done. It's true, you'd be arrested doing these things if you weren't on the dance floor. On the street it would be three years in jail. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Perfect Paperback.
