Best Mysteries, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Oval, 1882. WG Grace, the great champion of England cricket, and Fred The Demon Spofforth, that diabolical Australian bowler, are locked in a titanic tussle as England and Australia play out a thriller of a match. That was the day when giants clashed, sparks flew and it resulted in the lore of The Ashes. We know all about that. But, it has seldom been revealed that in the pavilion on that famous August day sat Sherlock Holmes, his services recruited by Charles W Alcock, Secretary of the Surrey County Cricket Club. After a century and a third thereof, the facts of the matter have finally been made public; Dr John Watson's account of the sensational events have at long last seen the light of the day. We are taken on a journey of knuckle-cracking, nail-biting cricket action along with suspense, tension, villainy and death, and the Birth of the Ashes. In this intricate tale of mystery and cricket, much of the described action and dialogues are scrupulously accurate and did take place at The Oval on that day. The narrative also remains faithful to the timeline, personal characteristics and idiosyncrasies of the Holmes canon. A gourmet treat for the lovers of Sherlock Holmes, mystery stories, as well as a delight for the cricket fans.
