William B Eerdmans Publishing Co. Hardback. Book Condition: new. BRAND NEW, The Yes, Sarah Bee, Satoshi Kitamura, "A charming story about optimism and self-confidence" The Yes is a cheerful orange creature who sets off to explore the big wide Where. But the Where is home to the Nos, who travel in packs and discourage the Yes at every turn. They tell the Yes that the tree is too big to climb, the bridge is too rickety to cross, the woods are too scary to explore. But even just one Yes is stronger than countless Nos. Fans of Dr. Seuss will fall in love with the bright illustrations and clever wordplay, and the heartwarming message about overcoming obstacles makes this book the perfect graduation gift.
