*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at any time of the time (that's what catalogues are for about when you request me).*

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 82 pages. LC Number: KF27 . W344 2005d OCLC Number: (OCOlc)68623560 Subject: Medicare. Excerpt: . . . 11 performance payments for physicians who meet or exceed performance standards in clinical delivery systems and patient outcomes, and will reflect the special circumstances of smaller practices. This demonstration currently is under development and will be implemented in Arkansas, California, Massachusetts, and Utah. Participating practices will receive technical assistance from the Quality Improvement Organizations in their areas, as well as bonus payments for achieving the projects objectives. CMS also is investigating how to enhance quality and safety in the Medicare Health Care Quality Demonstration. This demonstration program, which was mandated by the MMA, is a five-year program designed to reduce the variation in utilization of health care services by encouraging the use of evidence-based care and best practice guidelines. CMS will soon seek public comment on the parameters for this initiative, and it will be open to physician groups and integrated health systems. Promoting Coordinated Care and Disease Management CMS recognizes that many patients require care in a variety of settings. Therefore, CMS has projects in operation or in the planning stages that will use pay-for-performance systems to support better care coordination for beneficiaries with chronic illnesses. Chronic Care Improvement Program - This pilot program will test a population-based model of disease management. Under the program, participating organizations will be paid a monthly per beneficiary fee for managing a population of beneficiaries with advanced congestive heart failure and or complex diabetes. These organizations must guarantee CMS a savings of at least 5 percent plus the cost of the monthly fees compared to a similar population of beneficiaries. Payment also is contingent upon performance on quality measures and beneficiaries and provider satisfaction....
