Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Drawn to the mysterious and sexy shifter who is now her mate by forces she still doesn't fully understand, Carly Tipton thought she had uncovered all the secrets Lunar Falls was hiding. Secrets that shook the very foundation of her own family tree. But what she's about to learn is that the secrets of Lunar Falls are only the tip of the iceberg, and that the lies it tells actually go much deeper than she or Gabe ever imagined. Gabe is determined that he and Carly are going to be free to build a life together. A life without the limits or the stigma of prejudice. But he soon comes to realize that he's not only fighting for the freedom of their love, he's fighting for the freedom of all five packs. As GrandAlpha, the fate of his entire people rests squarely on his shoulders as the threat of civil war looms ever larger above him. And when the ruthless cat shifters begin killing innocent humans, Gabe's problems quickly go from bad to worse. Lies of Lunar Falls is book two of an adult, sexy shifter romance trilogy.
