*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is a collection of ten short read stories that have been taken from my DOG TALES - 60 True Doggy Stories of Loyalty, Heroism and Devotion . As a naturalist, wildlife photographer and also a dog owner all my life, it never ceases to amaze me the incredible connection we have with our canine companions. With dogs, you get back what you put in, just as you do with your human relationships. Dogs, however, show more ability to forgive the cruelty and indiscretion of ignorant people, well at least that's what I have observed. As the old saying goes -no such thing as a bad dog, just a bad owner-, and this I believe with all my heart. All my dogs have been rescue dogs , taken from a life of abandonment and often cruelty. With patience, love and stability all of my dogs have shown loyalty and love way beyond any human should deserve. They've taught me so much and my life without them would be so much poorer. The stories in this series of books will hopefully make you laugh, cry and be proud to be a dog owner. Please remember this budget-priced book is just a small sample of the complete volume DOG TALES which is also available in Audio and Paperback. If you enjoy my stories I'd really appreciate it if you could leave an honest review. Thanks J.
