Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manual of Operative Veterinary Surgery If an apology should be deemed necessary for any apparent tardiness in the execution of the special undertaking of which the present work is the result, it will not be very far to seek, but may be readily found by a reference to the various and unceasing vocations in which the author of the Manual of Operative Veterinary Surgery is habitually engaged. The labor of its preparation has, in fact, been alternated and shared with that of other literary engagements of an imperative and unremitting character, and the onerous and exhaustive duties pertaining to his collegiate functions, to say nothing of the demands of an extensive practice. Engaged for years in the work of teaching this special department of veterinary medicine, and having abundant opportunities, which have not been neglected, of realizing the difficulties which the student who earnestly strives to perfect himself in his calling is obliged to encounter, I formed the determination long since to do what lay in me to facilitate his acquisition of knowledge; and it was then that I projected the present volume, and began the accumulation of material by the compilation of data and arrangement of memoranda, with the recorded notes of my own experience, the fruit of a long and extended practice before referred to; and of course a careful study of the various authorities who have illustrated and organized our copious veterinary literature. Moreover, haste in the publication, and a thorough digestion of the subject and the systematic ordering of material, could not be very easily combined, and a little delay in the issue will prove no detriment to the value of...
