DC Comics, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. In a post-apocalyptic world where humans have been pushed to the edge of extinction by the creatures of fantasy and fables, The Hinterkind tells the story of one young woman's quest to fulfill her destiny and put the world right again. Fifty-seven years after an unspecified biological event has all but wiped out the human race, a green hand has moved over the face of the Earth. Leaf, root and shoot have steadfastly smothered the works of man, remorselessly grinding the concrete, glass, and steel back into the minerals from whence they came. Mother Nature is reclaiming what's rightfully hers, but she's not the only one. The Hinterkind have returned. They come from hiding places in the lost corners of the world: Centaurs, Satyrs, Elves, Dwarves, Ogres, Trolls, Werewolves, Vampires. The menagerie that mankind has hung its tales of myth and magic upon - but these aren't fairy tale creatures. They are flesh, blood and passion, and they have a long simmering hatred of humanity. Hunted to near extinction through fear and ignorance, they fled to the great forests and deserts, losing themselves in the shrinking wilderness of an ever-expanding world. Now the wilderness is the world and mankind is in the minority! Collects The Hinterkind #1-6.
