Rocky Mountain Books. Paperback. Book Condition: new. BRAND NEW, Dude, Where's Your Helmet?, David A. Duncan, When Dan met Jack to go mountain biking, he saw that Jack had forgotten something important. Dan asked, 'dude, where's your helmet?' Jack replied, 'My head gets too hot. I don't need my helmet!' So off they went mountain biking. Dan and Jack were having fun riding down, down, down the mountain. Then all of a sudden Jack hit a rock and went flying over his handlebar. He landed headfirst on the ground. Jack hurt his head badly, so Dan rushed Jack to the hospital. Doctor Lindy patched up Jack and then said firmly, 'No more mountain biking for you!' Jack loved mountain biking, so he was very sad. Trying to convince kids that wearing a helmet is an important and potentially lifesaving thing to do while mountain biking, climbing, caving, skiing or snowboarding is difficult at best and frustrating at worst for many parents, educators and caregivers. "Dude, Where's Your Helmet?" is a fun-filled, non-preachy book for kids about the consequences of not wearing the proper gear when engaged in various outdoor activities. With a hip design, easy-to-read text and witty photos highlighting plenty of cool gear, this book is perfect for elementary school-aged children between four and eight years old.
