

Lost in the Backyard (Paperback)

By Alison Hughes

Orca Book Publishers, 2015. Paperback. Condition: New. Language: English . Brand New Book. Flynn hates the outdoors. Always has. He barely pays attention in his Outdoor Ed class. He has no interest in doing a book report on Lost in the Barrens. He doesn't understand why anybody would want to go hiking or camping. But when he gets lost in the wilderness behind his parents' friends' house, it's surprising what he remembers--insulate your clothes with leaves, eat snow to stay hydrated, build a shelter, eat lichen--and how hopelessly inept he is at survival techniques.

Reviews

It is an awesome publication which I actually have ever read through. It had been written really properly and valuable. I found out this book from my friend and dad recommended this pdf to discover.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
