Wipf Stock Publishers, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In *A Transformative Reading of the Bible* Yung Suk Kim raises critical questions about human transformation in biblical studies. What is transformation? How are we transformed when we read biblical stories? Are all transformative aspects equally valid? What kind of relationships exists between self, neighbor, and God if transformation is involved in these three? Who or what is being changed, or who or what are we changing? What degree of change might be considered transformative ? Kim explores a dynamic, cyclical process of human transformation and argues that healthy transformation involves three kinds of transformation: psycho-theological, ontological-theological, and political-theological transformation.
