Kindle Publishing Grab this GREAT physical book now at a limited time discounted price! Do you want to write or publish your own book? Have you tried publishing a book before with little to no success? Do you want to start making passive income online? If you answered yes to any of those questions, then this book is for you! Allow me to first introduce myself and let you know why and how I can help you. My name is Adrian Ingram and I've been publishing books on Amazon Kindle for over 2 years now. During this time, I've had amazing success with my books, and have been fortunate enough to replace my income and quit my job. I have published over 100 different titles during this time, and as you can imagine, have learned a lot about what makes a book sell on Amazon! With my particular method, I don't even write the books myself! I outsource the writing to skilled writers that create quality books for me. This has allowed me to publish a large number of books, and achieve the incredible success that I have. Inside this guide, I show you how to find these writers yourself and get your first book written inexpensively within a couple of weeks! Obviously, if you do like to write books yourself, that's okay! All of the strategies I share within this book will work for you too! I've discovered how to choose a quality niche to publish in, how to do keyword research, how to write and format my descriptions correctly, where to get amazing covers made inexpensively, how to get a ton of reviews and...
