EL ISLAM SHIITA ORTISLAM SHIITA ORTODOXIA O HETERODOXIA EDICION REVISADA Y ANOTADAODOXIA O HETERODOXIA EDICI N REVISADA Y ANOTADA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Revised, Annotated. Language: English . Brand New Book ***** Print on Demand *****. El libro El islam shiita: ortodoxia o heterodoxia? de Luis Alberto Vittor critica los conceptos erroneos y prejuiciosos para con el islam shiita, considerado injustamente como una minoritaria secta heretica. El autor se encarga de demostrar que el islam shiita es una expresion formal y espiritual genuinamente tradicional del islam original de Muhammad, preservado integramente en las enseñanzas de sus sucesores, los imames de la casa profetica (ahl al-bayt). De manera bien fundada, Vittor demuestra el caracter perfectamente ortodoxo del islam shiita, a pesar de ser minoritario, y explica por que es incorrecto e infundado llamarlo secta o heterodoxia. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shia School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization s purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!
