Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this historic citizens case to the US Supreme Court, legal points and precedents are clearly stated, aimed at protecting the public good, the sanctity of our elections and restoring our Democracy. Americans have a right to have their votes protected from foreign attack! That right was violated in the 2016 Election, and the Supreme Court has the authority, ability and duty to remedy this unconstitutional situation. A grassroots citizen group of 4 women of Cape Ann, MA leads -- the effort to petition the US Supreme Court to void the 2016 election and call for a new election. As patriotic Americans we are committed to safeguarding citizens right to free and fair elections, uncorrupted by foreign powers or acts of treason. The unprecedented attacks on our Democracy by Russian Government operatives in our 2016 election violated our right to a free and fair election, ensured in the Guarantee Clause of the United States Constitution: Article IV, Section 4 states: The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence. Congress and the Executive Branch failed to safeguard our votes; thus only our legal system can remedy this injustice, and order protective strategies against future foreign or domestic corruptions to our electoral processes. Through our attorney, Mark Small, the ReVote2017 team petitioned the US Supreme Court -on June 7, 2017, this Citizens case was docketed: #16-1464. Revote2017 is separate and apart from an earlier, failed, effort to obtain a new election, so please do not to mistake this Revote2017...
