Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE LION TAMER

Tate Publishing Enterprises, United States, 2006. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Born on June 21, 1918, Art Goddard: The Lion Tamer-a humble man in spirit, a gentle man at heart-grew up in New England, lived through the depression, fought for his country in WW II under Patton, liberated the Nazi Death Camp in Dachau, and was awarded the Bronze Star. Art settled in Houston, Texas, where he was an educator for 40-plus years. He was called to educate-a calling he answered and took very seriously throughout his lifetime. Every teacher carries the desire to help educate a future President. This is something Art accomplished in one of his 8th grade classes, as an instructor for President George W. Bush.
