Tracking the Flash: My Lighthouse Travel Log (Paperback)

By Katy Pye

Pyewacky Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you love visiting lighthouses? Bravo! You are a keeper. As guardian of a vanishing national legacy, your visits literally keep the lights on. This journal lets you record your trips, whether in the U.S. or worldwide. Sets of four, preformatted pages encourage you to capture details on: -up to 32 lighthouses -docent stories and your favorite facts -local attractions, special events or places -lighthouse overnights or longer stays as volunteer lightkeepers. Each set also includes a photo and brief description of one U.S. lighthouse. Use dedicated pages to log trip purchases or lighthouse-themed mementos and collections. Free space encourages personal journaling, even creative sparks such as pencil, pen, or crayon drawings, poems, prose, story or photography ideas or image lists. This journal is fun for the individual lighthouse enthusiast or as a project for the whole family. Stash the journal in your suitcase, glovebox, or handbag and hit the road.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
