Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Good morning, good afternoon, good evening. Just like everybody else, I m a horror fan. I like the fear. Getting nightmares, sleep paralysis, hearing things that are not there. Growing up, I ve had my fair share of nightmares watching rated R movies on a Friday, Saturday nights, turning off all the lights in the living room, eating junk food. Sometimes on the weekends, I share ghost stories with friends and family. Playing hide and seek or town tag late at nights, pulling all-nighters playing horror video games. I ve come to realize getting less sleep, I get quite the sleep paralysis experience. I ve heard things that are not in my presence. I ve seen blotchy shadow images at the corner of my eyes. Growing up, I didn t realize how powerful the mind could be tricking us when we are not prepared for it. Growing up, I have this experience strongly imprinted in my mind. I definitely shared them with my family, relatives, and friends. Then I realized I wanted to share these to the world, to those that are interested in my experiences. So with my strong memories of fear, I m excited to share you the details that I can remember growing up. Have a great day, a great weekend, a great holiday. Thank you.
